

# LifeVantage. TRUESCIENCE™

## MICRO LIFT SERUM

In less than 3 minutes you'll see the effects of TrueScience™ Micro Lift Serum. Its firming Montmorillonite Clay, concealing Sodium Silicate, and moisturizing Glycerin quickly restore the youthful appearance to the skin around your eyes. This blend of silicates and natural clay helps you look remarkable now without sacrificing skin health in the long term — the only smart way to restore visible beauty.

- Easy to use and fast-acting by creating an even surface for your skin
- Instantly makes skin appear firmer, smoother, and lifted to diminish the look of crow's feet, fine lines, and wrinkles
- Temporarily eradicates visible puffiness and dark circles and helps even skin tone
- Revitalizes skin around the eyes to restore youthful looking radiance
- Uses ingredients that are safe for the delicate eye area
- Conceals without penetrating into your skin

## RESTORE A YOUTHFUL LOOK NATURALLY

Nature drains the vitality from our skin as we age, but it also gives us a way to help turn back the clock on our appearance. There's a smarter way to tighten and smooth the skin around your eyes. With the right blend of silicates and natural clay, you can instantly restore the youthful appearance to your skin.

## DIRECTIONS FOR USE

1. Prep your skin with the TrueScience Skin Care Regimen. Skin must be dry before applying the TrueScience Micro Lift Serum.
2. Open one pod, using your ring finger tap the product a few times to liquefy.
3. Apply a thin layer to the target area using a light tapping motion. Do not rub or feather product.
4. Remain expressionless. Product will dry within 3 minutes.
5. If you applied too heavily and see a line of demarcation, simply moisten a cotton swab and gently tap the edge to remove any excess.
6. When your face feels tight and the product is completely dry, you are ready to gently apply makeup.

\*If you applied the Micro Lift Serum too heavily and see a new and unexpected line, simply moisten a cotton swab and gently tap the edge to remove any excess.
