How do I know what Stack to start with?

The Vitality Stack is your Nutrigenomic Starter Kit and this is the core stack that everyone should start on. The Vitality Stack supports mitochondria production so you can think clearer and keep your organs running efficiently. Fight the oxidative stress that's wearing your cells down. And then get your gut in shape so all the nutrients you need get to the right place. Finally, support your vital organs and maintain optimal cellular communication with the right combination of omega fatty acids.*

What does Protandim NRF1 Synergizer do?

Protandim NRF1 Synergizer boosts mitochondrial function and helps your brain and other organs work efficiently with total cellular support.*

What does Protandim Nrf2 Synergizer do?

Protandim Nrf2 Synergizer supports healthy aging at the cellular level with a formula that helps your body rejuvenate its cells and produce its own antioxidants.*

What does PhysIQ ProBio do?

PhysIQ ProBio supports long-term gut health and brain health. Give your digestive and immune systems a helping hand with 6 Billion CFUs of healthy bacteria with Wellmune® and Bio-Tract®† time release technology.*

What does LifeVantage® Omega+ do?

LifeVantage® Omega+ supports your brain, heart, organs, and immune system with a 3-in-1 combination of Omega 3s, Omega 7s, and Vitamin D in an impeccably sourced, high-end formula.*

Do all the Stacks have free shipping?

Yes, if you purchase Vitality Stack (packets/bottles) and Activated Essentials, you will receive free shipping. If you add additional products to your order when ordering Vitality Stack or Activated Essentials, your entire order will ship free.

Are there other nutrigenomic products available at LifeVantage?

Yes, at LifeVantage we have nutrigenomic products for athletes, biohackers, and the weekend warrior that is looking to gain an edge.*

Are the Vitality Stack Packets BPA Free?

Yes, the Vitality Stack Packets are BPA free.
